

# THE LEGACY of Women

a leadership reTreat like no other

...in 2011 only 21 of the fortune 500 CEOs;  
14% of executive officer positions,  
17% of board seats,  
4% of top corporate jobs,  
were held by women... Sheryl Sandberg, Lean In

We are successful when there are more women coming in behind us than were ahead!

**DEFINE** your internal leadership identity & purpose  
**ACCELERATE** what defines & will sustain you  
**EXCITE** & grow what resonates for you

**At this reTreat you will:**

- Follow** the power of the question.
- Borrow** from the Emergent design process
- Define** how we tap into our personal inner leader
- Listen** to our inner voice through the core of who we are
- Speak** to the leader identity framed from the female perspective
- Evolve** with the power of Appreciative Inquiry
- Resonate** with the Energy of Vibrational Facilitation

Creating a safe space for learning, experimentation and community in the development of future leaders

**Lillas Hatala** MCEd CHRP CMC  
Lillas is known for helping women leaders do the deep personal development work that is necessary to bring forth their authentic leadership voice. Her interest in the integrated or whole person led her to develop Yoga of Leadership. Lillas is co-author of *Integrative Leadership*.

[www.IntegrativeLeadership.ca](http://www.IntegrativeLeadership.ca)

**Leslie Robinson** MA (Adult Ed)  
Leslie is pioneering the field of vibrational facilitation combining advanced facilitation skills and the practical application of quantum physics. Leslie specializes in making sound adult learning theory practical...and fun delivering programs to thousands of trainers, leaders across Canada, the US and Australia.

**Nancy Lowery**  
Nancy always wanted to work with horses when she grew up. A skilled horseman Nancy recognises it's not what we say, but how we say it that leaves the lasting impression. Nancy has introduced thousands to the power of *Leadership through Horsemanship*. She now lives her dream of horses in the backyard.
